Subject: Application for Data Analyst Position

Dear Sir,

I am writing to apply for the Data Analyst position at Tops Technology, which I found on LinkedIn. I am very interested in this opportunity and excited to start my career in the field of data analytics.

I have completed my B.tech and have skills in Excel, Python, Data Analytics, and Power BI. I have a strong interest in working with data and learning new tools and technologies. I am a quick learner and always ready to improve my skills. I am confident that I can contribute to your company and grow professionally. I will give my best to perform my responsibilities with dedication and sincerity.

Thank you for considering my application. I look forward to the opportunity to work with your team.

Sincerely,

HET PATEL

Subject: Letter of Appreciation

Dear Het,

We would like to express our sincere appreciation for your excellent performance and valuable contribution during your internship as a Data Analyst Intern at Tops Technology. Your work on dashboard projects was outstanding and reflected your strong analytical abilities, dedication, and willingness to learn. The quality of your work in Power BI, Excel, and data analysis tasks was highly impressive and appreciated by the team. Your professionalism, positive attitude, and commitment toward completing tasks on time made you a valuable member of our organization. We are pleased with your efforts and the enthusiasm you showed throughout your internship period. We thank you for your hard work and wish you great success in your future career and professional journey.

Sincerely,

Subject: Declining Job Offer for Data Analyst Position

Dear Sir,

Thank you very much for offering me the position of Data Analyst at Tops Technology. I truly appreciate the time and effort your team invested in the recruitment process. After careful consideration, I regret to inform you that I am unable to accept this job offer at this time. This was a difficult decision, as I hold your organization in high regard. I am grateful for the opportunity and hope to stay in touch for any future possibilities. Thank you once again for your understanding.

Yours sincerely,

Het Patel

Subject: Leave of Absence Request

Dear Sir/Madam,

I am writing to formally request a leave of absence from 20-07-2026 to 23-07-2026 (3 days) due to a family function that requires my presence. I understand the importance of my responsibilities at work and assure you that I will complete all my pending tasks before the leave period. I will also ensure a smooth workflow so that my absence does not affect the team's productivity. I would be grateful if you could kindly grant me leave for the above mentioned period. I appreciate your understanding and support in this matter. Thank you for your consideration.

sincerely,

Het Patel

Subject: Resignation Letter

Dear Sir/Madam,

I am writing to formally resign from my position as Data Analyst at Tops Technology, effective from 20-07-2026. I have truly appreciated the opportunity to work with your organization. During my time here, I have gained valuable knowledge and experience that will help me in my future career. This decision was not easy, but due to personal reasons, I have decided to move forward. I will ensure that all my responsibilities are properly completed and will assist in a smooth handover of my duties. I am grateful for the support and guidance provided by the team and management. I wish the company continued success in the future.

Yours sincerely,

Het Patel
